2. **ACCEPTANCE:** Purchaser's agreement to the terms and conditions hereof may be express or implied, either by written acceptance or by Purchaser's failure to object to the terms and conditions prior to the start of the Services. This Contract, along with Company's quote, contains the complete, exclusive and binding statement of the terms and conditions governing the Services provided by Company whether previously agreed to orally or in writing. No addition to or any modification of any of these terms and conditions will be effective unless agreed to in writing and signed by Company.
3. **PRICE:** The price for the Services shall be as set forth in a written quotation provided by Company, or if no written quote is provided, then the price shall be based upon Company's then-current pricing schedule.
4. **PAYMENT:** Payment in full for the Services provided by Company will be made in U.S. funds within net thirty (30) days of the date of Company's invoice. Punctual payment as stipulated herein is of the essence.
5. **INDEPENDENT CONTRACTOR:** The Company will perform Services as an Independent Contractor and will have complete control and be responsible for all Services conducted or performed by Company. Neither Company nor any of its employees will be deemed to be Purchaser's servants, employees, agents, partners, affiliates or joint venturers.
6. **MODIFICATIONS:** Any alteration(s) by the Purchaser in design, quantity, testing requirement(s) or specification(s) or any delays in the Services due to Purchaser's instruction or lack of instruction may involve an adjustment to the price and/or to the delivery time if Company's costs or schedule in carrying out the Services is thereby affected.
7. **VALIDATION:** If the method used to perform the Services is a Purchaser-provided non-standard test method, Company does not assume any responsibility for validation of the method or for the results of the Services.
8. **DEFAULT:** If Purchaser defaults on any payment(s), commits an act of bankruptcy, enters into liquidation, or suffers a court receiver to be appointed, Company may, at any time thereafter, without prejudice to any other remedy, suspend or cancel the Contract without prior notice. Purchaser. Such re-performance shall be Company's sole liability for the non-conforming Services, with no liability for damages arising therefrom, including but not limited to special, indirect, consequential, incidental, punitive, statutory or other damages. Company's warranty does not include the effects of improper operation, improper handling, accidents, improper storage, improper use and improper maintenance or repair not attributable to Company.
